Visit from Mayor Philip Glanville – Mayor of Hackney

This week, Haggerston School was visited by the Mayor of Hackney, Philip Glanville and Cllr Anntoinette Bramble.

Mr Glanville was kind enough to write to us following the visit: *“Obviously you could tell I loved the architecture, but it was the passion you and your team have put into the school and the young people that you teach that brings it alive and it was good to get a flavour of that on the tour.....Meeting the Student Leadership Team was fantastic and again they were a credit to the school.”*
