Dear Parents/Carers

We are currently in the process of developing a new behaviour policy for next September. Your views on our current system and some of the ways we plan to improve it are a really important part of this process. We know that our behaviour is good and often very good. However, we also know that students do not have disruption free learning in all their lessons. We know the corridors are sometimes too noisy, crowded and can be intimidating for younger or more vulnerable members of our school community. If we are committed to the school becoming one of the best in the country, where students have access to a world class education, we know that we cannot be satisfied with the current situation and need to raise our expectations and aspirations for our students.

We are keen to hear the views of as many parents as possible and will use this consultation when we are refining our system and the details of our new policy. I will write to you next half term to share our findings and explain the key changes. The link is attached below.

I would also like to take this opportunity to wish you all a restful, happy and hopefully, sunny half term.
