Haggerston School

Aspiration, Creativity, Character

3 Year School Improvement Plan 2017-2020

Aspiration: We strive to be the best versions of ourselves. We work hard everyday to master the knowledge and skills we need to lead successful, fulfilled lives.		**Creativity**: We create beautiful work to inspire others. We are independent-minded, creative thinkers and problem-solvers.		**Character**: We are articulate, confident and determined individuals. We work to build the qualities of Resilience, Ambition, Curiosity and Community Spirit.	
Objective 1: High Expectation Leadership	**Objective 2: Exceptional Outcomes**	**Objective 3: High Status, Tailored Curriculum**	**Objective 4: Outstanding Teaching, Learning & Assessment**	**Objective 5: Exemplary Behaviour, Welfare & Character Education**	**Objective 6: A Culture of Hard Work & Aspiration**
Leaders at all levels systematically evaluate the impact of structures and strategies and drive effective, sustainable improvement	English & Maths attainment and progress is in the top 10% nationally for all groups, especially disadvantaged pupils	The curriculum meets the needs of all learners, including a foundation pathway, Baccalaureate pathway and specialism options	High expectations and challenge from Y7 through to Y13 to ensures that more students are on track to make exceptional progress	Behaviour & rewards systems are highly effective so that low level disruption is minimal and students learn exceptionally well in all lessons	Staff and students are ambitious for themselves and others. High expectations of challenge, quality and amount of work produced is evident
Leaders at all levels develop expertise in the best practice in their field, demand the highest standards and are outward facing	Minimal in-school variation between the attainment and progress of different groups of students and subject areas	High quality, spiral curriculum models are comprehensive in all subject areas and challenge all learners to learn and retain key knowledge & skills	Assessment and data drive precision teaching and high quality intervention so that students make exceptional progress	Internal and external exclusion are reduced through early intervention to address behaviour concerns	Students take ownership for their own learning. Homework, Enrichment and Careers education programmes are exemplary
The school is popular, oversubscribed and has a sustainable 6th Form provision	Tracking of student progress is robust and leads to swift, impactful intervention for students who fall behind	Subject leaders have responded to curriculum reforms so that students are able to meet the demands of new assessments	High quality CPD and a culture of feedback and openness among staff builds outstanding practitioners	Character education is exceptional. The Haggerston Pledge is developed and embedded throughout school life.	The school readily celebrates the success of students and staff through a comprehensive and highly visible reward programme

Haggerston School

Aspiration, Creativity, Character

Objective 1: High Expectation Leadership

Impact	Actions	Lead	Timescale	Training	Cost	Evaluation
Leaders at all levels systematically evaluate the impact of structures and strategies and drive effective, sustainable improvement	● Overhaul data systems to ensure sharply focused data reports are produced and analysed on a cyclical basis ● Redesign cyclical T&L monitoring systems which lead to swift actions to address underperformance ● Streamline Line Management systems to ensure effective development, support and accountability for all staff	Hannah /Miles Brian/ Ray Ciara	By Nov 2018 By Oct 2018 By Sep 2018			**Amber** **Amber** **Amber**
Leaders at all levels develop expertise in the best practice in their field, demand the highest standards and are outward facing	● Re-design shadow structure to build expertise and capacity of teams and maximise development opportunities for staff ● Create Leadership development programme for all staff, esp. underrepresented groups, e.g. ethnic minorities and women. ● Arrange annual cycle of visits to outstanding schools in top 10% of schools in the country with clear actions arising as a result ● Ensure subject specific CPD develops pedagogy and high quality curriculum planning ● Ensure recruitment and retention strategy ensures talented staff are identified and have excellent opportunities for career development	Ciara Ciara Ciara Ray/Vicky Ciara	By Sep 2018 By Oct 2018 By Nov 2017 Ongoing Ongoing	Schedule of events through year Planned into CPD calendar	£10 000 Cover costs	**Green** **Amber** **Green** **Green** **Amber**
The school is popular, oversubscribed and has a sustainable 6th Form provision	● Improve examination results at A level so that the school can promote messages about improvement and academic outcomes ● Improve examination results at GCSE so that the school can promote messages about improvement and academic outcomes ● Appoint marketing and communications apprentice to establish strong social media presence for the school, high quality publications for parents/community and maintain an excellent website which markets the school well ● Improve branding of school values & ethos around the school site & community, including key messages, quality of display & signage ● Embed links, relationships and transition project work with local primaries/primary head-teachers ● Develop 6th Form collaboration with Bridge Academy to support sustainability ● Drive recruitment of Year 11 students into the 6th form from Haggerston and other local schools. ● Review curriculum from Y7-13 so that it is a key selling point for the school and has a range of courses to suit a wide range of students.	All SLT All SLT Ilias Ilias/Vicky Louise Hannah E Andrea Hannah	By Aug 2019 By Aug 2019 By Sep 2018 Start Sep 18 Start Sep 18 Start Sep 18 Start Sep 18 Start Sep 17			**Amber** **Red** **Amber** **Amber** **Amber** **Amber** **Amber** **Green**

		Lead	Timescale	Training	Cost	Evaluation
	● Improve Enrichment and cultural experiences through increased trips, societies and clubs, including successful Duke of Edinburgh programme from Year 9-12. These provide rich marketing opportunities for the school.	Vicky	By Oct 18			**Amber**

Objective 2: Exceptional Outcomes						
Impact	**Actions**	**Lead**	**Timescale**	**Training**	**Cost**	**Evaluation**
English & Maths attainment and progress is in the top 10% nationally for all groups, especially disadvantaged pupils	● Ensure effective and supportive line management of HOFs in English & Maths and provide SLT support to impact initiatives	Brian	Start Sep 18			**Amber**
	● SLT monitoring ensures rigorous understanding of strengths and weaknesses in English and Maths and clear, swift improvement actions result	Brian	Start Sep 18			**Amber**
	● Prioritise Y11 outcomes in Maths in terms of intervention programme to ensure all groups make progress	Brian	Start Sep 18			**Amber**
	● Re-structure curriculum to ensure Literacy & Numeracy intervention is in place from Year 7 upwards	Hannah	Start Sep 17			**Green**
	● Ensure English & Maths departments have clear strategies in place to support students that are underachieving and are able to show the impact of actions they take on closing the gap	Brian	By Sep 18			**Amber**
	● Use regular Raising Attainment meetings to identify target students for EM matching and share strategies to improve student outcomes	Brian	Start Sep 18			**Amber**
	● Ensure tracking spreadsheet for Year 11 gives full picture of progress and attainment to enable sharp, data led interventions to be embedded in practice	Miles	Start Sep 18			**Amber**
	● Improve quality of teaching in Maths & English to ensure optimum challenge and rigour	Cong/ Daniel	Start Sep 18	Subject specific pedagogy CPD	£1000	**Amber**
Minimal in-school variation between the attainment and progress of different groups of students and subject areas	● Improve target-setting system so that targets are challenging and consistent with a school in top 10% for progress but simple for parents, staff and students to understand	Hannah	By Sep 18	In house CPD		**Green**
	● Implement new assessment system to allow accurate cycle of assessment throughout year with clear attainment data which can be used to drive planning, intervention and support	Hannah/ Louise	By Nov 18	In house CPD		**Amber**
	● Regular cycle of accountability meetings to be held post data entry incl with HT & DHT post public and mock exams	Ciara/ Brian	On-going			**Amber**
	● Pastoral teams support all HOFs to ensure that behaviour is outstanding in all lessons	Donna	Start Sep 18	In house CPD		**Amber**
Tracking of student progress is robust and leads	● Overhaul of data systems to ensure sharply focused data reports are produced and analysed on a cyclical basis	Hannah	By Nov 18			**Amber**

| to swift, impactful intervention for students who fall behind | • Actions following data analysis are tracked and monitored at each Assessment point
• Increased triangulation between School Improvement Plan, Faculty Improvement Plans and actions arising from Data and Appraisal
• Systematic impact review of interventions with swift follow up action
• Increased rigour in tracking "catch up" students in KS3
• Training for all staff in data analysis increases effectiveness of data led, precision teaching and increased accountability for student outcomes | Brian

Objective 3: High Status, Tailored Curriculum					
Impact	**Actions**	**Lead**	**Timescale**	**Training**	**Cost**	**Evaluation**
The curriculum meets the needs of all learners, including a foundation pathway, Baccalaureate pathway and specialism options	• Curriculum review and consultation completed with all stakeholders • Design new curriculum model which will lead to outstanding outcomes though: bespoke pathways, strong support for English and Maths, increased uptake of Ebacc, links to Sixth form courses, high status subjects, strong emphasis on Arts • Staffing review completed to support delivery of the new curriculum • Recruitment plan in place to ensure early advertisements and high quality appointments • Specific training for staff who are planning to deliver new courses in place	Vicky Hannah Hannah Ciara Ray	By Dec 17 By Dec 17 By Dec 17 By Jan 18 By May 18	 Subject CPD	 £1000	**Green** **Green** **Green** **Green** **Green**
High quality, spiral curriculum models are comprehensive in all subject areas and challenge all learners to learn and retain key knowledge & skills	• Time made available for faculties to continue to develop challenging, high quality, spiral curriculum models, planned backwards from the new A-level and GCSE specifications • Best practice shared across HOFs and Subject Leaders in terms of curriculum planning • Links made with primary schools in English, Maths and Science to ensure curricula take account of primary learning and are challenging for Year 7 students from the start • Heads of Faculty/Subject are outward looking and learn from schools in top 1% nationally about best practice in their field • Cover lessons are supervised study where students revise key knowledge from subject areas • Library stock, layout and culture is developed to ensure that there is an excellent resource offer for Sixth Form and KS3 & 4 pupils	Ciara Brian Louise Brian Donna Carrie	By Sep 18 Ongoing By Dec 18 Ongoing By Sep 18 Start Jan 18	Time allocated from INSET Planning time		**Green** **Red** **Amber** **Red** **Green** **Amber**
Subject leaders have responded to curriculum reforms so that students are	• Build opportunities for students to practice examination skills regularly from Year 7 onwards • Ensure subject curricula are designed to revisit content, build students long term memory of subject knowledge and teach revision/study skills explicitly and regularly	Brian Brian/ Vicky	Start Jan 18 Start Sep 18			**Green** **Amber**

able to meet the demands of new assessments	• Subject leaders given time to improve the rigour and quality of assessments from Year 7 upwards to ensure students are GCSE ready by Year 10 and A-level ready by Year 12	Louise	Start Sep 18			**Amber**
	• Moderation of assessments internally and with external partner schools ensures that assessments are robust and challenging for students at all levels	Louise	Start Sep 18			**Amber**
	• Schemes of learning reviewed to ensure that planning for precision teaching of knowledge gaps happens after each assessment point and time for pre-teaching and over-teaching are built into the assessment/teaching cycle	Brian	Start Jan 18			**Amber**

Objective 4: Outstanding Teaching, Learning & Assessment

Impact	Actions	Lead	Timescale	Training	Cost	Evaluation
High expectations and challenge from Y7 through to Y13 to ensures that more students are on track to make exceptional progress	• Lead Practitioners appointed for Literacy & Numeracy to develop high quality curricula to support students below expected standard in English & Maths from Y7-11	Ciara	By Feb 18			**Green**
	• Challenge is a key theme of CPD at whole school and subject level. Best practice re-challenge is shared across the school through CPD and meeting cycles	Ray	Ongoing	In house CPD		**Amber**
	• Review behaviour policy to improve culture of positive behaviour and eradicate low level disruption	Donna	Start Nov 17	In house CPD		**Green**
	• Share, promote, exhibit and celebrate 'beautiful work' to create a culture of excellence and aspiration	Ray	Start Jan 18			**Amber**
	• Explore strategies used by schools in the top 1% nationally to stretch and challenge learners (E.g. Over-teaching beyond syllabus)	Ray	Start Sep 18	Outstanding school visits	Cover Only	**Amber**
	• Challenge is a key theme of monitoring of teaching through observation, drop ins and work scrutiny	Ray	Start Sep 18			**Amber**
	• Teachers given regular feedback to support and develop level of challenge	Ray	Ongoing		Cover only	**Amber**
	• Students who are not making expected progress are identified and swift in-class intervention with communication to parents prevents underachievement from becoming entrenched	Brian	Start Sep 18	In house CPD		**Amber**
	• SEND information is shared in a simple, memorable form so that teachers can implement strategies to support SEND pupils	Nic	By Oct 18			**Red**
Assessment and data drive precision teaching and high quality intervention so that students make exceptional progress	• Restructure assessment cycle to ensure timely data LM meetings following data input and planning time for teachers to plan for precision teaching.	Ciara	By Sep 18			**Green**
	• Underperforming students review knowledge post- assessment to close gaps identified	Brian	From Sep 18			**Amber**
	• Teachers plan in class interventions for students who have not met expected standard to close gaps	Brian	From Sep 18			**Amber**

Impact	Actions	Lead	Timescale	Training	Cost	Evaluation
	● Streamline appraisal documentation to ensure target setting creates clarity around expected progress for all students	Ray	By Sep 18			**Amber**
	● Strengthen systems for moderation and standardisation of assessment across the school	Louise	Start Sep 18			**Red**
High quality CPD and a culture of feedback and openness among staff builds outstanding practitioners	● Create a CPD calendar with strong emphasis on subject specific pedagogy	Ray	Ongoing	In house & External CPD where required	£1000	**Green**
	● Train staff (incl all line managers) in effective Coaching/Line Management practice	Ray	By Nov 18			**Amber**
	● Identify and develop outstanding practitioners through the appraisal process to support curriculum areas and lead on challenge	Ray	Ongoing			**Amber**
	● Review Appraisal and Monitoring cycle and how these support teacher development. Link both to CPD cycle so that training is responsive to staff/school improvement priorities	Ray	By Apr 18 for Sep 18 start			**Amber**

Objective 5: Exemplary Behaviour, Welfare & Character Education

Impact	Actions	Lead	Timescale	Training	Cost	Evaluation
Behaviour & rewards systems are highly effective so that low level disruption is minimal and students learn exceptionally well in all lessons	● Investigate behaviour policies from outstanding schools with exceptional behaviour	Ciara	Start Nov 17	Cover for visits	£500	**Green**
	● Review and re-design the behaviour policy in order to ensure greater clarity of sanctions. Consult with all stakeholders on changes.	Brian/All	Start Nov 17			**Green**
	● Train staff in new expectations of student behaviour. Conduct drop in's to support staff with new behaviour systems.	Nic/Ray	By May 18	In house CPD		**Green**
	● Clarify and make greater use of intervention strategies: reports, behaviour contracts, PSP, counselling, mentoring, etc.	Nic	Start Sep 18			**Amber**
	● Review rewards system to introduce more impactful rewards to celebrate achievement, effort and character.	Donna	By Sep 18			**Green**
Internal and external exclusion are reduced through early intervention to address behaviour concerns	● Improve student engagement in school by increasing overall standard of pupil behaviour in lessons through simplified, clarified sanctions and rewards processes	Donna/ Nic	By Sep 18			**Green**
	● Develop improved systems and processes for co-ordinating interventions for students who have been excluded from school	Donna	Start Sep 18			**Red**
	● Implement the most appropriate lessons and learning from the Young Black Men Project	Nic	Start Sep 18			**Red**
	● Ensure all students with more than one FTE are automatically referred to SRG meeting with decisive actions taken to prevent recurrence	Nic	Start Jan 18			**Amber**
	● Create a cycle of regular communication to ensure students and families are aware of behaviour expectations and breaches which lead to exclusion.	Nic	Start Sep 17			**Green**
	● Work with school teams to ensure greater consistency across year groups in the use of internal exclusions	Donna	Start Jan 18	In house CPD		**Green**

Character education is exceptional. The Haggerston Pledge is developed and embedded throughout school life.	● Ensure that effective monitoring systems are put in place to quality assure Pledge tasks within curriculum areas	Donna	Start Sep 18	Sample marking		**Amber**
	● Accountability meetings with Heads of Year to ensure oversight of Pledge completion and quality assurance during tutor time	Donna	Start Sep 18			**Amber**
	● Launch Duke of Edinburgh Bronze Award with Year 9 and 10	Harry J	Start Nov 17			**Green**
	● Appoint Outdoor Education Coordinator within PE to ensure regular opportunities for students to engage in outdoor activities, sport and experiences	Ciara	By Sep 18			**Green**
	● Build opportunities for students to develop independent learning skills within the structure of the school day	Ciara	By Sep 18			**Green**
	● Reward Aspiration, Creativity and Character consistently and regularly to enforce principles. Link to The Haggerston Way	Donna	Start Sep 18			**Green**
	● Engage with Anna Freud/CAMHS project and staff training from Aspace to increase capacity to support students with Social, Emotional and Mental Health needs	Nic	Start Sep 17	Aspace CPD		**Green**

Objective 6: A Culture of Hard Work & Aspiration

Impact	Actions	Lead	Timescale	Training	Cost	Evaluation
Staff and students are ambitious for themselves and others. High expectations of challenge, quality and amount of work produced is evident	● Embed robust quality assurance process to ensure accurate, regular and impactful book scrutinies	Brian	Start Sep 18	In house CPD		**Amber**
	● Develop a clear set of expectations for quality of student work required for each grade set across subject areas, to promote high levels of challenge, quality and completion of work	Louise	By Dec 18	In house CPD		**Amber**
	● Review presentation policy to ensure that expectations are clear, simple and easy to enforce	Brian	By Feb 18	In house CPD		**Green**
	● Student educational trips and visits encourage aspiration, build cultural capital and confidence	Vicky	Ongoing		£5000	**Amber**
	● Quality assurance and monitoring of teaching processes give leaders a deep understanding of classroom practice so that staff development is supportive, precise and impactful	Ray/Brian	Ongoing			**Amber**
	● Staff engage with professional development opportunities, including leadership programmes and are keen to progress	Ray	Ongoing	In house CPD		**Amber**
Students take ownership for their own learning. Homework, Enrichment and	● Review current Enrichment and Careers Programme to identify gaps and to develop an ambitious whole school student entitlement	Vicky/ Andrea	By Nov 18	External providers		**Amber**
	● Homework review leads to increased student independence and capacity for self-study	Louise	Start Sep 18			**Amber**

Careers education programmes are exemplary	and builds long term memory. Policy change reduces teachers workload in setting and marking H/W and increases clarity of communication to parents ● Establish industry and higher education partnerships to increase quality of provision ● Move to Google for Education enables students to have their own email address to improve communication between students and staff and increase student ownership of their learning ● Implement Accelerated Reader and Lexia to ensure rigorous tracking of students reading and progression in Reading Age and build the culture of reading ● Ensure excellent access to high quality ICT facilities for students to complete work independently	Andrea Brian/ Ilias Louise/ Alice Ilias/ Brian	Ongoing By Jan 19 By Nov 18 Ongoing		£7000	**Amber** **Red** **Amber** **Amber**
The school readily celebrates the success of students and staff through a comprehensive and highly visible reward programme	● Review current reward system and implement improved structure which is aligned to The Haggerston Way. ● Re-establish expectations of staff re rewards in consultation with HoFs. ● Establish highly visible displays to celebrate 'beautiful work' and strong messaging of key values around school premises ● Social media presence promotes and celebrates successes leading to strong culture of pride in the school among students and parents	Donna Donna Ilias/Vicky Ilias	By Sep 18 Start Sep 18 By Sept 18 By Sept 18	School trips & visits	Reward budget £7000	**Green** **Amber** **Amber** **Amber**

Haggerston School

Aspiration, Creativity, Character

Headteacher's Executive Summary and Summary of Self Evaluation Judgements - July 2018

English: 10% increase in A*-B grades in Literature A-Level to 60%. Stable ALPS Score. Slight dip in GCSE outcomes.
Science: STEM Learning Partnership is underway. Refurbishment in progress. 73% A*-B in Physics A-Level, 55% A*-B in Chemistry. Both ALPS Scores improved to 2. Stable staffing from September.
Maths: 50% A*-B in Maths A-Level, 100% A*-B in Further Maths. ALPS score improved from 5 to 3. Static results at KS4 for Maths.
6th Form: Significant increase in A level results improving our ALPS score from 5 to 2. 41% of students progressed to Russell Group Universities. Increased numbers in Y 12 to 52 from 43.

Library: Refurbishment almost complete. Library due to reopen to students on 10/9/18. Accelerated Reader software purchased and due to launch in October to Lower School.
Behaviour: New system was implemented from Sept with real impact on corridor and classroom behaviour. Study Centre is functioning as a supervised study space for students removed from lessons and during cover lessons. Excellent buy in from staff and students has meant a very successful start to the term.

Parents: Social media pages now up and running. Twitter (@HaggerstonSch) and Facebook both active. Parent Information Evenings have communicated ways for parents to engage with new online monitoring apps (Classcharts and DPR). Parent Handbook sent to all parents outlining key information about the school. Marketing/Communication Apprentice has started and is working with our external Marketing and PR partner, Arthurcomms, to improve this aspect of our work with parents and the community.
Student Numbers: 188 students have started in Year 7. PAN is due to increase by 60 for two years from 2019 to accommodate reduction in school places at Shoreditch Park. However, this increase still depends on successful recruitment.

The Quality of Leadership & Management (2- Good): Leaders are sharply focused and committed to driving improvement. SLT are highly professional and lead by example. There are strong relationships and a collaborative, coherent approach to driving standards. Leaders promote equality, tolerance and community spirit which leads to a positive, harmonious school culture. Appointments of strong middle leaders have improved leadership in key areas (E.g. Maths, Science, Year Teams) Strategic planning processes have been improved at faulty level to create clarity of vision and direction. Models from very high performing schools are driving strategic development. Governors understand the school well and offer robust challenge.	**Next steps:** 1. Ensure SLT and subject leaders are focussed on developing pedagogy, subject specialism and quality of teaching in their areas. 2. Ensure that leadership behaviours, improvement planning and actions impact directly on student outcomes and teaching standards. 3. Improve the impact of faculty curriculum planning to drive challenge, rigour and progress in the classroom.
Student Outcomes (2- Good): KS4: Strong upward trend in achievement prior to 2017 (2016 69% C+EM). Results dipped to 53% 4+EM in 2017 and remained at 54% 4+EM in 2018. Progress has been in line with national for two consecutive years. Some variation between groups (Boys, SEND, Black Caribbean) and subject areas. At KS5: A -Level 53% A*-B (16% increase from 2017). 81% A*-C (5% improvement from 2016), Progress Alps score increased from 5 to 2, placing us within the top 20% of sixth forms nationally. Sixth form judged as Requires Improvement by Ofsted in 2017. Our judgement is that it is now securely 'Good'.	**Next steps:** 1. Reduce variation between subject areas through improved teaching, rigorous tracking and targeted support for underachieving students 2. Improve outcomes in Maths so all groups of students make excellent progress 3. Develop collaboration with local sixth form to create a sustainable offer which delivers year on year improvements
The Quality of Teaching, Learning & Assessment (2 - Good): Outcomes at GCSE indicate a clear need for improved teaching across the curriculum to prepare students robustly for the new GCSE Qualifications. Languages outcomes have been consistently strong despite specification changes and practice is being used as a model for improvement in other areas. Appraisal, monitoring and line management are being refined to improve support and accountability around quality of teaching. We continue to invest time for subject specific CPD, curriculum development and moderation to ensure greater consistency of practice across all areas. This is being delivered by Lead Practitioners, subject specialists and outside agencies.	**Next Steps:** 1. Ensure subject specific CPD & planning is regular & high quality 2. Ensure that assessment structures support precision teaching and planning for progress 3. Appraisal, Monitoring and CPD continuously improve quality of teaching
Standards of Behaviour and Welfare (2 - Good): Well established routines create a calm and orderly school environment.	**Next Steps:**

Character education (incl The Pledge), is high quality. Assemblies provide excellent SMSC education. Safeguarding is very effective. Attendance for 2017/18 was 94.1% - a drop on the previous year. We have changed our attendance service to secure improvement. Redesigned behaviour systems for 2018 have significantly reduced incidences of low level disruption and created a clear culture shift towards a focused and rigorous learning environment.	1. Embed new behaviour system so that low level disruption is eradicated. 2. Further develop the culture of achievement and aspiration through enrichment, rewards and celebration 3. Improve attendance to above 96%

Haggerston School

Aspiration, Creativity, Character

School Context and Mission Statement

The Haggerston Way: Our Mission

Aspiration: We strive to be the best versions of ourselves. We work hard everyday to master the knowledge and skills we need to lead successful, fulfilled lives.	**Creativity**: We create beautiful work to inspire others. We are independent-minded, creative thinkers and problem-solvers.	**Character**: We are articulate, confident and determined individuals. We work to build the qualities of Resilience, Ambition, Curiosity and Community Spirit.

Students	Haggerston School (HGS) is an average sized school with 932 students on roll. Of these, 92 students attend our small but growing sixth form. HGS is in the highest percentile nationally for deprivation indicators with 50% Pupil Premium students. In addition, we fall in the highest percentiles for numbers of students from minority ethnic backgrounds, English as an additional language and for those identified as SEN School Support. Our percentage of SEND pupils with an EHCP is in line with national averages at 1%. The average point score of pupils on entry to the school is broadly in line with national average. There has been a variable trend in student recruitment into Year 7 but we have 188 students enrolled in Year 7, an increase of 56 students from 2017.
Staffing	Ciara Emmerson is the Head-teacher. There are two deputies, one associate deputy and 6 Assistant Headteachers. Among the teaching staff, there are 6 NQTs, 2 on the Teach First programme and 1 training through TIQ. We currently have one long term supply teacher in Computing (Maternity Cover) and one short term supply teacher in Maths. This is a significant reduction from 2017/18. We do not anticipate bringing any daily supply teachers into school due to our new study centre.
Curriculum and timetable	Our curriculum is aimed at promoting academic excellence with a strong emphasis on the Arts. In years 7, 8 and 9 pupils study a broad and balanced foundation curriculum. Students partially choose their KS4 options in Year 8 (Humanities and DT/Computing). They choose the rest of their options in Year 9. We run a pathways curriculum with an extended Science Specialism for more able students, a Baccalaureate Pathway and a flexible Haggerston Pathway where students are able to select a bespoke range of subjects including Literacy, Numeracy and Vocational options. The main curriculum is supplemented by a strong SMSC curriculum, including an emphasis on Character Education through our Pledge programme. The curriculum has been reviewed for 2018 to increase uptake of Ebacc subjects, provide additional English/Maths intervention and increase challenge.

Since the last inspection; Sept 2017

Not yet outstanding because:	**Impact statement**
Reduce the proportion of fixed-term and internal exclusions, particularly for those pupils who have been excluded more than once.	New behaviour system has been implemented from Sept 2018.
Improve outcomes in mathematics, particularly for disadvantaged pupils and the most able, by ensuring that teaching challenges pupils to make the progress of which they are capable.	Hegarty Maths having impact. Changes in Staffing & Leadership. Stable, solid teaching which is steadily improving.
Improve outcomes on academic courses in the sixth form and raise the proportion of students who go on to complete their courses successfully.	Significant improvement in outcomes. Small increase in numbers entering Y12. Collaboration with The Bridge Academy established

Haggerston School

Aspiration, Creativity, Character

Follow through with the planned review of the curriculum, including for the sixth form, to ensure that it continues to meet the needs, abilities and aspirations of all pupils.	Review completed, Sixth form offer has been refined. Incentives for more able pupils to stay (scholarships, bursaries, IT etc.)

Leadership and Management: Good

Summary: We judge L&M as good because there is a strong capacity in the leadership team to drive the school forward. Staff and leaders have framed an ambitious vision for the school. The school had been on a strong trajectory of improvement until 2017 with Progress scores of 0.3 and 0.33 respectively in 2015 and 2016. The drop in results in 2017/18 reflects the changes to new, more challenging qualifications. The current Senior and Middle Leadership Teams have identified the key areas for improvement and are quickly setting about implementing strategic change where needed. Examples include rapid improvement at KS5 and impact of newly implemented behaviour systems.

Good features	Evidence of Impact
School leaders and governors have an accurate understanding of the schools' strengths and weaknesses. They set high expectations and are determined and capable of achieving excellence and creating a culture of aspiration.	- The senior leadership team forensically analyse results to establish cause and effect and have a clear plan of action to rectify the drop in progress. - Our plan is to be in the top 10% of schools nationally for progress within 3 years. In 2015 & 16 progress was significantly above national averages and in line with national average in 2017. We know we can achieve this by driving rapid improvement in areas where results have dropped, in particular in Maths, Science and Technology. New teaching staff and leadership in those areas are already having an impact on quality of teaching, rigour and expectations. - The school calendar establishes a clear cycle of analysis and review to ensure leaders are fully aware of all aspects of school performance so that swift action can be taken to remedy any drop below expected standards. - Governors have a thorough understanding of the school's strengths and weaknesses through regular reports from senior leaders. Leaders are challenged on various aspects of the school to ensure that they deliver improved outcomes. - A thorough 2 year budget review has led to strategic changes, including staffing restructure, to bring spending into line with income.
Our broad and balanced curriculum enables students to follow a course of study tailored to their needs and abilities.	2016 Progress was well above national average in all pillars: P8 -0.33. 2017 Progress in line with national overall but the lowest in Hackney: P8 -0.09 2018 attainment is 54% 4+ in English/Maths, 36% 5+ in Eng/Maths. Progress is likely to be in line with 2017 and National Averages - Strong SMSC programme embedded in tutor time, assemblies and PSHCE as well as within the wider academic curriculum and due for review in 2018/19 - Redesigned curriculum model for 2018 will increase Ebacc uptake and provide bespoke pathways for high attainers and lower attaining students.
Teaching and Learning is consistently strong in many areas and is improving rapidly in areas where it is less effective.	- A focus on faculty leaders driving subject specific pedagogy and practice has started and will continue to be a priority to increase challenge and rigour for all students. - Performance appraisal and Line Management processes are being refined to increase support where teaching does not meet expected standards. Bespoke, valued programme of CPD for all staff will run throughout the year, responsive to monitoring and evaluation - Behaviour Support ensures staff are supported to implement the behaviour system and secure 'disruption-free learning'
Safeguarding is highly effective.	- Leaders in school work as part of multi-agency teams to ensure students who are at risk are supported, monitored and protected. There is a good programme of student education about a wide range of issues such as radicalisation, extremism, FGM, Sex Education and Mental Health through PSHCE drop days. - There is a planned package of training for staff to cover all aspects of safeguarding, including mental health and wellbeing so that all staff are clear on the guidance and their responsibilities. Strong, warm relationships between staff and students support open discussion about issues.

Haggerston School

Aspiration, Creativity, Character

Areas for development:
- Ensure Governors have access to consistent, comprehensive data on school performance so that they continue to systematically challenge senior leaders to deliver excellent outcomes for pupils.
- Ensure Self Evaluation and Review are robust and evidence based, including at faculty level, so that improvement actions are strategic and impactful.
- Develop the strategic use of data by middle and senior leaders to track, target and raise student achievement.
- Continue to market and promote the school and Sixth Form towards a goal of being oversubscribed into Year 7 in 3 years and to secure a consistent intake of 100 pupils into Year 12.

Outcomes: Good

Summary: The Sixth Form has made rapid progress in terms of outcomes and most significantly in subjects with relatively high numbers of entry and in faculties with historically lower results, namely Maths and Science. This has led to an overall ALPS grade of 2 putting Haggerston in the top 10% of 6th Forms nationally and the most improved Sixth Form in the borough. It strengthens our offer which has historically been stronger in the Arts, to STEM subjects as well. 52% of grades at A-Level were A*-B.

Progress in 2017 and 2018 at GCSE is in line with national average. Although there are some strong results (positive progress score in English, outstanding outcomes in Spanish with 30% grade 9), outcomes at GCSE are a key improvement focus for the school. The 2016 cohort achieved 69% A*-C in English and Maths and P8 score of 0.33, a slight improvement from 0.3 in 2015. Progress has been significantly above national average for two years up until 2017 and gaps between groups were narrowing. The gap between PPI and non PPI has narrowed again in 2018. Maths results remain a key focus with 58% 9-4 in 2017 and 57% 9-4 in 2018. In both years, the Maths progress score is below 0. Outcomes were only 4% below predictions at 54% (predicted 58%).

Good features	Evidence of Impact
In a wide range of subjects, students make strong progress. Progress in English is above national average figures	2016 Results: P8: 0.33. A8: 52.43 (Nat Ave 49.34). 69% A*-C in English and Maths. Outstanding results in Drama, Art, Triple Science, Languages 2017 Results: P8: -0.05 - in line with national average for progress overall. English Progress 0.41. Excellent results in Drama, Art, Triple Science, Languages. 2018 Results: P8 - 0.1 (provisional) 54% 9-4 in English and Maths, 36% 9-5 in English & Maths, 14% 5+ in Ebacc, 17% 4+ in Ebacc. Excellent results in Languages, Triple Science, and PE. 4% of grades across the school were at Grade 9.
	In the 6th Form, there were improved results at A Level: 16% increase in A*-B grades to 52% - Overall ALPS score improved from grade 5 to grade 2 (3 year average now at a grade 4) - Excellent results in Chemistry 62% A*-B ALPS 2, Eng Lit 60%, ALPS 3, Maths 50% ALPS 3, Media 50% ALPS 3, Physics 78% ALPS 2, Sociology 56% ALPS 5 , Spanish 100% ALPS 2 , G&P 43% ALPS 3.
Where attainment is low, it shows consistent improvement	- Stable outcomes in Maths despite weaker cohort. Legacy of poor teaching in Y10. Systems, processes and challenge being embedded in all years through focus on excellent teaching. New leadership is having a positive impact. - Improvements in subjects with very poor outcomes in 2017 - notably DT and Business (although there is still room for further improvement in these areas) - The progress of disadvantaged pupils in the current Year 11 cohort was above non-PPI students - The progress of students with medium prior attainment is in line with national averages. Curriculum changes with regard to Literacy and Numeracy will support LPA students to achieve better Support plan for HPA students put in place in second half of year which is planned to start in Sept 2018 for new Y11.

RI Features	
Outcomes are not yet good in some areas	- Long term sickness in Science staff has led to lower than predicted results in Combined Science in particular and fewer students achieving 7+ in Triple. - Key subjects of concern this year are Business Studies (48%), Media (48% - final year of running the course), RM 33% as they have been well below national average for 3 consecutive years. Significant drops in Geography 37%, Music 42%, Art 41%. - At 14% 5+/C+ in Ebacc, results are well below national average of 24% in this measure. A thorough curriculum review has taken place to ensure a high expectations curriculum is in place for all students, irrespective of starting points. - In 2018 History remains a subject of concern at A-level (0% A*-B) ALPS 8 and Economics fell to 11% A*-B ALPS 7.

To ensure outcomes are at least good in all subject areas:
- Support and develop subject leaders to drive subject expertise and pedagogy in their areas. Robust line management by SLT to provide direction where required, support and challenge through revised LM structure
- Improve the quality and accuracy of assessment data and ensure interventions are data led, impactful, and high quality. Analysis of data by leaders must be frequent and lead to clear actions to address underachievement. Implementation of the DPR will ensure increased focus on what students know and don't know.
- Improve the use of data by teachers to plan for precision teaching and to increase the individual accountability of teachers for the quality of their assessment, predictions and outcomes
- Ensure that there is early and pre-emptive action where teaching is not effective or challenging enough. Leaders regularly spend time in lessons and give regular feedback to staff about their practice.
- Implement the new curriculum model with careful allocation of students to suitable pathways at KS4 and KS5.

Teaching, Learning and Assessment: Good

Summary: There is some very strong teaching practice which delivers excellent outcomes for students in those subject areas.   Appraisal, monitoring and CPD structures are well established. Changes have been made to the appraisal process which includes streamlined documentation and more frequent feedback from lesson observations. Teachers are engaged in developing their own practice. Inconsistent teaching which has contributed to the variation in results across subject areas is being addressed by subject specific training, individual support and challenge. Challenge, Rigour and Creativity will be key drivers for teaching next year. A new line management structure and more frequent, low stakes lesson observations are next steps for monitoring, support and accountability.

Good Features	Evidence of impact
Teachers develop, consolidate and deepen pupils' knowledge, understanding and skills. They give sufficient time for pupils to review what they are learning and to develop further. Teachers identify and support effectively those pupils who start to fall behind and intervene quickly to help them to improve their learning.	- Lesson observation, monitoring and learning walks indicate that teaching is consistently good in most lessons. In some lessons, where outcomes are also strong, teaching is often outstanding - Data scrutiny meetings are now built into the assessment calendar so that student underachievement is identified and addressed. - New leaders in Maths and Science have led to a more effective learning experience for students but Science has had significant staffing challenges this year. - Hegarty Maths has seen rapid improvement in students' homework completion, progress and independence in Maths - In most lessons, teachers use a range of assessment techniques to check on students' learning. The quality and presentation of work in books is good. - In the majority of lessons, students behave well and engage with their learning. Low level disruption is an issue in some lessons and the new behaviour system seeks to address this.

Haggerston School

Aspiration, Creativity, Character

Strong focus on teaching practice driven by the teaching & learning faculty. Regular programme of CPD and ITT. Appraisal processes are robust.	• Weekly teaching briefings and Monday CPD sessions. Focus is responsive to the priorities identified through appraisal observations and KPI. This term teaching at KS5 and challenge for HPA students in y11 have been the CPD focus • Time has been given for subject specialist training in order to impact on delivery of new examination specifications and address in school variation. • Teaching standards are shared with staff as a minimum expectation for professional standards and teachers are held to account on these standards through appraisal observation. • Staff experiencing difficulty are identified and a programme of support is put in place together with coaching from the faculty of teaching and learning. There has been an increase this year in the number of teachers identified as needing support. This is a reflection of higher expectations and standards.
Teachers embed reading writing and communication and where appropriate mathematics across the curriculum.	• Students are expected to carry a reading book at all times. They read independently in tutor time and English lessons. Students who have difficulties with decoding use phonics programme (Lexia) to support their progress. Accelerated Reader is being introduced in September for Years 7&8 • The library has undergone a £30k refurbishment over the summer. Dr Parris has significantly developed the profile of the library in school and Hackney • Speak Well, Write Well is a whole school strategy which drives expectations of how students communicate - using Standard English and full sentences • The lead practitioner for literacy is planning for further development of whole school literacy in September including designing a new curriculum programme

To secure good teaching across the board:
- Develop the capacity of subject leaders to drive subject specialist teaching and pedagogy in their areas. Ensure subject specific CPD & planning is regular & high quality
- Establish a culture of regular drop in's to lessons by leaders so that all teachers receive regular and meaningful feedback on their teaching. Target coaching and individual support for teachers who need additional help to improve delivered by strong practitioners
- Develop whole staff CPD which drives The Haggerston Way - to deliver excellent outcomes and create eager, curious learners who are resilient to failure through consistently challenging teaching
- Develop a culture of 'beautiful work' where students take pride in their work in all lessons, at all times
- Ensure all home learning is challenging, builds students long term memory of key subject knowledge and teaches skills of independent study and regular reading for pleasure
- Ensure that assessment structures support precision teaching and planning for progress

Behaviour, Safety and Welfare: Good

Summary: Well established routines create a calm and orderly school environment. Character education (incl The Pledge) is high quality. Assemblies provide excellent SMSC education.   Safeguarding is very effective. Attendance for 2017/18 was 94.1% - this is a drop on last year. Current Attendance is 90.1% but we have changed our external attendance provider for this academic year from the LA service. The proportion of persistent absenteeism has increased from 11.8% to 15.3%.   Redesigned behaviour systems for 2018 are having a significant impact on reducing low level disruption. The focus is on embedding the new system so that impact is consistent over time.

Good Features	Evidence of Impact
Pupils are confident and self-assured. They take pride in their work, their school and their appearance	High expectations for uniform and presentation of work are reinforced through regular, high quality assemblies and by teachers' consistent challenge. Student leadership is a real strength of the school and students act as role-models to others, promoting the culture and ethos of the school. High quality expressive arts provision means that all students develop confidence in communicating with adults.

The school is an orderly environment. Pupils' good conduct reflects the school's efforts to promote high standards	The new behaviour system has ensured that the school is a calm, orderly environment and that students are ready to learn when they arrive at lessons. Teachers have high expectations of pupils conduct. The focus of this term is to ensure that the system is implemented consistently in all classrooms so that low level disruption is eradicated. Students are polite and respectful of adults.
Pupils are safe and feel safe at all times. There is a warm and trusting relationship between staff and students. Pupils show respect for others' ideas and views.	Safeguarding is effective. Students are treated with warmth and respect by adults. Pastoral support is strong with a designated non-teaching member of staff assigned to each year group to support with swift resolution of any concerns or issues which occur during the day. A permanent non-teaching Deputy Designated Safeguarding Lead has been appointed and now leads the work on safeguarding on a day to day basis. In addition, the mental health in school project begins this term and Haggerston is involved in a multi-agency bit to over mental health provision during transition from primary to secondary. Students have a strong understanding of British values, including tolerance and respect for others. Incidents involving discrimination are rare.
Pupils value their education few are absent or persistently absent.	2016-17 attendance: 95% overall. 94.3% for disadvantaged pupils and 94% for SEND pupils. PA: 11.8% 2017-18 attendance: 94.1% overall. 93.2% for disadvantaged pupils and 93% for SEND Pupils. PA: 15.3%. Systems are in place to address this decline, including changing our Attendance and Welfare provider from the HLT service.. PA reduction improved due to targeted mentoring.
Pupils are well prepared for the next stage of their education.	Andrea Pomphrey will lead careers from Sept 2018. Trips to universities and links with employers and businesses (such as Freshfields Law firm) enable students to confidently prepare themselves for the future. HPA students from years 10-13 are to join The Access Project scheme as of Sept '18. An entitlement chart outlines the enrichment, experiences and trips which students will receive in each year group throughout the school to build cultural capital, aspiration and engagement. The Gatsby Benchmarks will be used to audit careers provision across all year groups.
Internal and External Exclusion	2016-17: 2 Permanent Exclusions (0.02%), 100 Fixed Term Exclusions (10.75%). 2017-18: 6 Permanent Exclusions (0.61%), 171 Fixed Term Exclusions (15.44%) FTEs have exceeded last year's totals as we re-frame expectations of student behaviour. Boys, SEND K pupils, PPI students and students from White British, Black Caribbean and Turkish ethnicities are disproportionately represented in our FTE/IEU figures. Programmes for students who are repeatedly excluded are being implemented. The school is undertaking a Race Disparity Audit to determine key actions.

To achieve outstanding behaviour:
- Embed the re-designed behaviour system to ensure sanctions and rewards are applied consistently to tackle low level disruption so that students learn effectively at all times
- Further develop the culture of achievement and aspiration through enrichment, rewards and celebration - Achieve a 5:1 ratio of Credits to Corrections.
- Analyse the students represented in the exclusion data and plan preventative actions to minimise repeat exclusion and break the cycle of poor conduct for these pupils
- Improve attendance to above 96%; showing pupils value their education and rarely miss a day at school. Ensure no groups of pupils are disadvantaged by low attendance
