Currently the amount is £2.20 for the meal deal. The price lists for individual items are available at the selling points around the school. Charges will never exceed actual costs.

Remissions

We may choose to subsidise, in full or part, charges for certain activities and pupils, as determined by the Headteacher. The circumstances in which concessions are applied will be reviewed regularly.

Voluntary Contributions

At the discretion of the Headteacher, parents will be invited to make a voluntary contribution for school trips, activities and projects. Voluntary contributions may be used to enhance and support learning activities or resources, support some educational visits and cover travel costs. Voluntary funds will only be used in support of the activity or project for which they were sought.

The terms of any request made to parents will specify that the request is for a voluntary contribution and in no way represents a charge. In addition the following will be made clear to parents:

- The contribution is genuinely voluntary and a parent is under no obligation to pay.
- Students registered at the school will not be treated differently according to whether or not their parents have made any contribution in response to the request.
- If insufficient voluntary contributions are received the school reserves the right to cancel the event.

The responsibility for determining the level of voluntary contribution is retained by the Headteacher.
