IMPORTANT NOTICE

Regular communication with parents/carers is important to us at Haggerston School. It is vital that the school office holds *updated and current contact information* in order that you can receive important messages from school or in case of a medical and/or emergency situation.

Please contact the school office to update or confirm that your contact information is correct.

Mental Health and Well-being Parent Survey

City & Hackney has been undertaking a project focused on mental health in schools. As part of the evaluation of this project, we are keen to understand what parents think about how mental health and emotional well-being is supported in schools. Your feedback will be of great use for us to understand the needs of both parents/carers and students when it comes to improving mental health and well-being support in our schools. The survey is 16 questions long, and should take 5 minutes to complete. Your participation would be greatly appreciated.

The Autism Show 2019 is a national event for autism, organized in association with the National Autistic Society. The event is held in three cities: London (14-15 June 2019 at ExCeL), Birmingham (21-22 June 2019 at NEC), and Manchester (28-29 June 2019 at EventCity).

The poster features several key activities and benefits:

- Learn new strategies & approaches
- Hear the UK's leading autism professionals
- Access one-to-one specialist advice
- Listen to adults on the autism spectrum
- Interact with innovative features
- Discover 100s of products & services

Book your tickets now and save 20% at www.autismshow.co.uk. Follow us on Twitter.

The National Event for Autism 14th - 15th June 2019

If you're looking for information and direction pre or post diagnosis, are facing daily challenges, or approaching significant transition points, then The Autism Show can help you.
