Hackney Schools Music and Dance Festival Tuesday, 18 June to Thursday, 27 June 2019

We are delighted to provide details of the annual Schools Music and Dance Festival 2019. Thank you to all those that have signed up to take part in one or more of the many events. Now in its 22nd year, the Festival is a great way to showcase and celebrate the work of your pupils and staff, and of course your school, to a wider community.

With 4500 children and young people taking part across 56 schools, and even more schools represented in the various borough ensembles, choirs and projects, this is the single biggest schools music event in the borough.

Now more than ever, it is important to highlight the good work that you are all doing through music and the arts to nurture the personal, social and creative development of your pupils, and the enormous benefits of engagement to their emotional wellbeing. The music service team would like to thank all participating schools for your contribution to making children's lives better through music, and for your time and investment in ensuring that every child can access music through their curriculum and beyond.

Please remind your parents of these events, which will include performances from EYFS children through to secondary students, as well as bands, orchestras and small instrumental groups right from the heart of the classroom. There are 14 performances to choose from, so please do come along and join us in celebrating the achievements of Hackney's children and young people.

We would also like to thank our contributing partners: LSO, Serious, Grand Union Orchestra, Everyone's Climbing London Mayor's Fund and Discover Young Hackney.

Please see the [e-flyer](#) for specific event days and times across the two weeks from **Tuesday, 18 June to Thursday 27 June**, at the Round Chapel in Lower Clapton Road.
