Haggerston PTA

On Monday 20th May, Haggerston School held its first PTA meeting; thank you to all those that attended and those that showed interest but couldn't make the date.

We discussed the association's aims, possible events for the future, our name, necessary key roles within the group and the possibility of an event for the end of term.

Please click this link <https://haggerston.hackney.sch.uk/wp-content/uploads/2019/07/PTA-meeting-feedback.pdf> to view our discussion points and we would welcome any additional contributions.

To succeed as a group in supporting Haggerston School and student progress and development, it is very important that we establish our committee and we have in place the key roles. We have also suggested that the roles could be shared which would alleviate some of the work load.

To register your interest in any of the PTA roles please email jenny.haynes@haggerston.hackney.sch.uk
