Free Breakfast Club

Students at Haggerston School start their day with a free, healthy breakfast thanks to a new government initiative. Haggerston School works in partnership with the Magic Breakfast Charity to provide a tasty range of foods including cereals, porridge and bagels.

The morning offering, provided by the Department of Education via the National School Breakfast Programme, is free to all students between 07.30-08.30 am every weekday in the canteen.

The options available include Nestlé's Cornflakes and Rice Crispies, Quaker Oats So Simple Porridge and toasted bagels. Students do not need to register in advance and can just turn up on the day.

IMPORTANT NOTICE

Regular communication with parents/carers is important to us at Haggerston School. It is vital that the school office holds updated and current contact information in order that you can receive important messages from school or in case of a medical and/or emergency situation.

Please contact the school office to update or confirm that your contact information is correct.
