FREE BREAKFAST CLUB @ Haggerston School 7.30 – 8.30am daily

Students at Haggerston School start their day with a free, healthy breakfast thanks to a government initiative. Haggerston School works in partnership with the Magic Breakfast Charity to provide a tasty range of food including cereals, porridge and bagels.

The morning offering, provided by the Department for Education via the National School Breakfast Programme, is free to all students between 07.30-08:30 am every weekday in the canteen. Options available include Nestlé's Corn Flakes and Rice Crispies, Quaker Oat So Simple porridge and toasted bagels.

Students do not need to register in advance and can just turn up on the day.
