If it is the case that someone will collect the results on behalf of the student, the following needs to be completed so that the results can be released. The student, whose results will be collected, needs to send a letter to the Examinations Team at the school's address by Thursday, 6th of August, signed by themselves and stating the full name of the person collecting the results on their behalf. The person who will retrieve the results needs to bring proof of identification with them on the day of results, matching this letter.

Examination Certificates will arrive at the school in the autumn, and we will make contact at this time to request that students come into the school to collect them.

Should a student wish to appeal against their results, they will need to return their Review of Results/Remark Request form to the school office by **Friday 28th August**. The appeal process is still to be confirmed by Ofqual. Information about this will be shared with students during results day when they will receive a letter along with their results to clearly outline the appeal process. Further information to explain how estimated grades were allocated will also be shared with students on the day.

Due to the COVID-19 (coronavirus) outbreak, we have made the decision not to allow any students' family members or friends to enter the school site during these results days. We are also asking students not to gather in front of the school building before the start of results day. We are also urging students to promptly make their way back home once they have left the school site.

If you wish to discuss the matter further please do not hesitate to contact the school, you can make contact by email to Haggerstonschool@haggerston.hackney.sch.uk or by telephone on 020 7739 7324.

Yours sincerely,

Mr Larini
