

# CAREERS BULLETIN

THE OFFICIAL HAGGERSTON CAREERS BULLETIN OFFERING CAREER OPPORTUNITIES TO ALL HAGGERSTON STUDENTS

DEMONSTRATING AN ACTIVE ROLE IN YOUR EXPERIENCES, LEARNING AND PROGRESS IS ESSENTIAL TO THE BEST FUTURE OUTCOMES

## CLOSING SOON : DON'T MISS

University of Cambridge  
Robinson Access Programme  
For year 11's  
**Closing 12th April**

The Robinson Access Programme (RAP) is designed to encourage and support students to apply to highly-selective universities. RAP is a free online programme that consists of monthly sessions, starting in April, for Year 11 students. Sessions will introduce students to what university is, how it works, and what it's like to be a student, alongside content designed to develop independent study skills.

For full details and to register visit [The Robinson Access Programme](#)

**Speakers for Schools**  
Virtual work experience & insight day opportunities  
**Closing soon**

Below are virtual opportunities from the Speakers for Schools experience portal. There are a range of opportunities from virtual work experience (3-5 days) and insight events (1 day). Students cannot sign up individually.

To access these (plus more) opportunities schools will need to sign up to [Speakers for Schools here](#)

Stemettes Easter Programme  
Free STEM sessions  
For ages 7 - 20  
**29th March - 16th April**

These free sessions explore STEM careers, advice and opportunities, bringing together young women, nonbinary young people and folks from across STEM academia, industry and entrepreneurship.

- Explore Junior - For 7-11 year olds, to learn something new and try hands-on STEM activities whilst meeting STEM role models.
- Explore Connect - For 12-15 year olds, wanting to work on a STEM project in a team and/or learn from role models and take part in networking.
- Explore Academy - For 16-20 year olds, wanting to work towards a Python/Cyber certification and take part in networking.

Participants can choose to attend one week (Week 1, Week 2, or Week 3) or two weeks (Week 1&2, or Week 2&3), with each project lasting one week

- Week 1 - 29th March - 1st April
- Week 2 - 6th April - 9th April
- Week 3 - 13th April - 16th April

Stemettes have worked to ensure that young women from across the country are able to join these digital sessions, no matter what their setup is at home. If needed they can send a device and/or a dongle for the days on the programme.

The Easter Careers Hut  
For years 7 - 13

**THE EASTER  
CAREERS HUNT**

**TAKE THE QUIZ**

We are delighted to share with you The Easter Careers Hunt, a bespoke quiz created by InvestIN to help students determine their ideal career type. Once completed, students will be given a host of exclusive career-coaching content based on their results.

For each student that takes the quiz, InvestIN will make a donation to BookTrust, the UK's largest reading charity.

**Youth Employment UK**  
Free online learning programmes  
For ages 14+

These online courses aim to help build skills and careers confidence through exploring the young person's strengths, needs and what they want to do in the future.

[Preparing for Your Future](#), for ages 14 - 16

[Journey to Work / Young Professional](#), for ages 17+

[Explore Work Experience](#) for ages 14 - 19

This virtual guide aims to introduce students to the world of work, with video's workbooks and resources for teachers.

## BGI Games Careers Week March 26th- 2nd April

A free online festival to inspire people from every background to discover careers in the UK's fastest growing creative industry - video games. Running March 26th- 2nd April 2021, over 75 event partners - including video games studios, non-profit organisations, and educational institutions - will come together for this free online festival to provide over 30 exhibitions, interactive workshops and panel discussions, with the aim to encourage students, parents, career advisers, and teachers, to explore the potential of and many pathways into video games careers.

The week will provide a comprehensive guide for anyone interested in a career in video games. Participants of all ages and backgrounds can benefit from the experience and advice of some of the UK's top industry leaders - from how games are made, useful subjects and skills to study, to portfolio building, networking and how to break into the industry, and more.
