University Subject Seminars
For students in years 9,10 & 11
Wednesday 7th April
4 - 5pm

Improve your knowledge of university!

Do you want to learn how you can help to change the world for the better?

This webinar will allow you to do that and more!

Through understanding how a university education can equip you with expert knowledge, studying university style learning in a range of subjects and considering the ways you can pick a university course, you will be prepared to use your university education to create positive change.
