Big Bang Digital : Online STEM event

For ages 11-14
23rd – 25th June **Big Bang Digital**

Aimed at 11 to 14-year-olds, Big Bang Digital is a 3-day event packed full of inspiring and interactive sessions, opening young people's eyes to future developments they could be part of. Big Bang Digital could be the spark for young people to see how the very subjects they're studying can lead to some of the most interesting, exciting and fulfilling careers. Big Bang Digital aims to;

- Improve engagement, interest or enjoyment in STEM subjects
- Improve attainment and progress in STEM subjects
- Learning what the engineering workplace is like
- Develop engineering employability skills
- Improve awareness and aspirations for STEM-related study and careers
- Challenge stereotypes by showing the diversity of disciplines, people and skills involved in engineering

Royal Veterinary College: The Animal Academy

For ages 13+

Next event 19th May

Register now

The Animal Academy is a free online programme that supports young people interested in studying and working with animals. Members have access to exclusive support, advice and monthly events about animal careers and going to university. This month's event will take place on 19th of May from 5.30-6.30pm and is all about how to source the ever-important veterinary work experience needed to study veterinary medicine and veterinary nursing degree courses.

Find out more and apply to be part of the Animal Academy here [RVC Animal Academy](#).

Wise - My Skills My Life

Online STEM Session

for young women aged 11-19

Thursday 3rd June at 11am

WISE will be running an online My Skills My Life session, featuring a variety of fantastic role models in the STEM industry. Would you like to find out about your personality type and what people like you are doing in the world of STEM (Science, Technology and Engineering)? This is a fantastic opportunity to meet some inspiring role models in the industry, hear about their jobs and ask questions.

The event is aimed at girls aged 11-19. For full details and to register visit [My Skills My Life](#)
