**NATIONAL  
SATURDAY  
CLUB**

Young people across the UK are  
receiving expert tuition in exciting and  
inspiring subjects – for free. Joining a  
Saturday Club is a unique chance to  
learn new skills and meet people who  
can introduce you to further education  
and career opportunities. There are no  
exams and the aim is to focus on a  
subject you love.

The National Saturday Club is a publicly funded  
outreach programme which aims to involve 13–16-  
year-olds in a creative subject at a local institution.  
Our club members work with an expert tutor and are  
supported by our Studio Assistants and Student  
Ambassadors to create their own creative pieces in  
our high-tech studios.
