**ACCA**

### Future leaders: Accountancy opportunities for ALL young people

This webinar is aimed at parents, guardians, caregivers and young people where you will hear from a range of professionals who have carved out their own career and who will share their journey in accountancy.

[Click for more info](#)

Young Reporter

The Young Reporter scheme is a programme that runs for eight months during the school term, with various opportunities offered along the way. At the end of the scheme students are judged on the articles they have submitted throughout the year and an awards ceremony is held for the winners. Students on The Young Reporter Scheme can be fast-tracked onto the journalism apprenticeship scheme.

For years 10-13 - Closing 31 October

### ASTRO PI

Mission Zero offers young people the chance to have their code run in space! Write a simple program to take a reading from the colour and luminosity sensor on an Astro Pi computer on board the International Space Station, and use it to set the background colour in a personalised image for the astronauts to see as they go about their daily tasks.

**Entries for Mission Zero 2024/25 are open from 16 September 2024 to 24 March 2025.**
