July – Aug

Medical Schools Council
London Med Summer School

For year 12's

Closing 27th March

[Click here for more details and to apply.](#)

The London Med Summer School is an online programme which brings together four of London's medical schools (King's College London, Queen Mary University of London, St George's University of London and University College London) to give 75 Year 12 students from across England an opportunity to find out what it is like to study medicine in London. Working with patients and student ambassadors, participants will gain a greater understanding of the realities of being a doctor and the skills needed to succeed.

You Press - The Collective Accredited Artist
Development Programme

for ages 13 – 30

June – August

This unique programme is designed to support aspiring young musicians to develop their talents and to produce socially conscious music. The programme will have training sessions on vocal training, lyric writing, music production, confidence and performance techniques.

The programme has a small participation fee of £10 per session (which adds up to £200 in total for 10 weeks per cohort). If this is a barrier to apply, please tick the box that says 'Applying for a Sponsored Place' in the form.
