Morgan Stanley

Studying STEM Program
For year 11's

15th August : Closing 9th July

The Studying STEM Program is designed for Year 11 Computer Science & STEM Students with an interest in pursuing a career within Technology. This introductory programme will give an oversight into the exciting areas of Technology within Morgan Stanley, as well as giving participants the opportunity to partake in interactive activities, simulated shadowing, panel sessions and career workshops. [To apply, click here](#)

Explore Insight Programme

For years 11-13
1 – 3rd August

The BDO Insight programme is an opportunity to learn more about the world of accounting. In this three day-long virtual insight experience participants learn more about BDO, accounting and why what they do is nothing like number crunching! Participants will develop professional skills and meet inspiring people who work across a vast range of jobs available at BDO. [For more information and to apply, click here](#)

Volunteering Opportunities:

Starting 8th May

[To find out more and to download the app, click here](#)

To mark His Majesty the King's Coronation thousands of organisations across the country are getting together to give the chance to help out in local communities. Starting on Monday 8th May there will be opportunities for everyone to join in, from checking in on someone who'd like a bit of company or volunteering for a charity. From March 20th there will be a list of ways people can lend a hand in their community.

Try one of these career supporting apps:

A creative Careers discovery app for students. [Click here to find out more](#)

Designed for young women to learn about how they can
