For years 10 – 13  
Starts September  
Apply now

The scheme provides the perfect springboard for those wishing to pursue a career in writing, starting in September and runs through to April. Students are expected to write one article per month during this time, uploading articles directly onto the Newsquest websites. All articles are published on their online newspapers and at the end of the scheme, there is a chance to go forward and compete for prizes with one student from each age group becoming the face of Young Reporter for the next year.
