

GCSE RESULTS 2021

DATE: AUGUST 2021

We are particularly proud of our 2021 Year 11 cohort this year. Students worked incredibly hard and have shown remarkable resilience in the face of a very challenging few years. We are pleased that so many have been awarded the results they deserve.

HEADTEACHER, MS EMMERSON SAID:

"We are delighted with another set of fantastic results which really reflect the hard work and commitment of students to their studies. 72% of students achieved a good pass in English and Maths and there are excellent outcomes across the board. We congratulate all our students and wish them every success in the next stage of their education."
