MESSAGE FROM THE HEADTEACHER

Ms Emmerson

Dear Parents/Carers,

It was a very proud moment to honour the achievements of the 2023 Year 11 cohort at their graduation yesterday. They have already accomplished so much, even before they get their exam results in the summer. This is a testament to them, their resilience through the pandemic and beyond, but also to their parents. The hall was packed with parents and grandparents who had come along to celebrate with us. I cannot overemphasise how much we value the support of parents and how much it matters to students. When it works well, school should provide a structure which helps families to parent their child and vice versa. That trust and partnership provides a strong foundation for children which helps them to thrive. Yesterday, I spoke to parents about their experiences since they anxiously stepped through the doors to drop their child off for their first day of secondary school. It seems to have flown by and yet so much has happened in between; not least, their child growing into a young adult. I am very grateful to them for trusting us with their child's education all those years ago and journeying with us to this milestone.

Next up will be Year 13 graduation, another set of wonderful young people, ready to go and make their mark on the world.

Have a lovely weekend

Ms Emmerson, Headteacher

Attendance Matters

Every student. Every day.

THIS WEEK'S TOP FORM!

YEAR 7G	96.9%
YEAR 8B	93.8%
YEAR 9O	97.4%
YEAR 10R	96.9%
YEAR 11	LEAVERS
YEAR 12P	89.5%
YEAR 13	LEAVERS

WHERE WILL YOU BE?

If last year, a child had 99-100% attendance, the average grade achieved across all GCSEs was a grade 7. This does not mean a child is guaranteed to achieve grade 7s or better with 99-100% attendance but it does mean they give themselves the best chance to do this. This child is much likely to score top grades than someone who is only in for 94 % of the school year.

Attendance %	Average Grade at GCSE
99 – 100	7
97 – 99	6
95 – 97	5
93 – 95	4
90 – 93	3
Under 90	3-

HIGH ATTENDERS, HIGH ACHIEVERS

Lost property

Dear Parents/Carers,

If your child has lost something during the school day, please ask them to visit student services where lost property is kept. Student services have a large number of misplaced school coats and PE kits. Please remember to label any belongings so they can quickly and easily be returned to their owner.

Students with short term mobility issues

If your child experiences a short term mobility issue, e.g. an injury such as spraining an ankle that requires crutches, could we please ask you to let their head of year know. We need this information in case we have to write an individual action plan to support a fire evacuation.

Music Lessons

Individual and paired music lessons start next week. If your child is taking these you should have received an email with a timetable of your child's lessons and further information.

If your child is interested in taking individual/ paired music lessons at school in the future, please get them to fill in the Music Survey form on the DPR. Thank you, Mr Gregory, Head of Music

Haggerston School PTA Group

Children & Family Hubs Consultation

Give your feedback on Hackney Council's model for Children and Family Hubs.

We are consulting on how we develop some of our existing children's centres into four Children and Family Hubs.

Hubs will offer support for families and young people aged 0 to 19 years old (up to 25 for young people with special educational needs and disabilities – SEND).

The hubs will bring together staff working across a range of different services, including the Council, health services and voluntary and community organisations.

The hubs will act as a 'one stop shop' to offer guidance and advice for families, including infant feeding, debt and welfare advice, mental health support, health services and family support.
