Supporting Pupils Who are Unable to Attend School Due to Medical Needs Policy

Approved by	Date:
Full Governing Body	September 2023
Monitored by:	Full Review Due:
AHT Inclusion	September 2024

Aims:	Haggerston school aims to work closely with the Hackney Education(HE) to ensure that all children who are unable to attend school due to health/medical needs, and who would not receive suitable education without such provision, continue to have access to as much education as their health/medical condition allows, so that they reach their full potential.
Targets/ Outcomes:	<ul style="list-style-type: none"> • All students receive a quality education that allows them to reach their full potential • Haggerston works closely with HE to ensure continuity and quality are provided for students who can not attend school due to medical needs
Definitions	<p>Due to the nature of their health/medical needs, some children may be admitted to hospital or placed in alternative forms of education provision. We recognise that, whenever possible, pupils should experience their education within school and the preferred aim of the provision will be to reintegrate pupils back into school as soon as they are well enough.</p> <p>We understand that we have a continuing role in a pupil's education whilst they are not attending school and will work with the HE, healthcare partners and families to ensure that all children with health/medical needs receive the right level of support.</p>
Other Documents	<p>This policy has due regard to all relevant legislation and statutory guidance including, but not limited to, the following:</p> <ul style="list-style-type: none"> • Education Act 1996 • Equality Act 2010 • Data Protection Act 2018 • DfE (2013) Ensuring a good education for children who cannot attend school because of health needs - GOV.UK • DfE (2015) 'Supporting pupils at school with medical conditions' • Attendance Policy • Child Protection and Safeguarding Policy • Data Protection Policy • Special Educational Needs and Disabilities (SEND) Policy - Supporting Pupils with Medical Conditions Policy Department for Education's statutory guidance on supporting students with medical conditions at school. • https://education.hackney.gov.uk/content/medical-needs-tuition-service

Appendix 1: Types of Conditions and Provision Available

Types of health/medical issues Children who are unable to attend school as a result of their health/medical needs may include those with:

- Physical health issues
- Physical injuries
- Mental health problems, including anxiety issues
- Emotional difficulties or school refusal
- Progressive conditions
- Terminal illnesses
- Chronic illnesses

Children who are unable to attend mainstream education for health reasons may attend any of the following:

- Hospital school: a special school within a hospital setting where education is provided to give continuity whilst the child is receiving treatment
- Home tuition: Hackney has a home tuition service that act as a communication channel between schools and pupils on occasions where pupils are too ill to attend school and are receiving specialist medical treatment
- Medical PRUs: these are LA establishments that provide education for children unable to attend their registered school due to their medical needs. Currently this is not available within Hackney.
