Hello my name is Ms Ray-Choudhuri and I am a member of the leadership team at Haggerston.

I wanted to introduce myself and say how pleased I am that you have chosen Haggerston. My subject specialism is drama and if you like any of the creative arts you will have the opportunity to take part in lots of experiences both in and out of the curriculum.

Last week it was student wellbeing week and key stage 3 students had a break from homework and were encouraged to get involved in one of the many mindfulness activities staff put on. Below are pictures of yoga ,cooking and mindfulness colouring.
