

Haggerston School

Year 6 Newsletter

Welcome to the latest edition of our Year 6 Haggerston Newsletter. This week we have more top tips to share and an invitation to our Art Exhibition.

Hello Year 7, my name is Mr McArdle and I am a member of the leadership team at Haggerston. I would like to extend a warm welcome to Haggerston School, we are very much looking forward to welcoming you in September. I teach Business Studies and lead on careers across the whole school. This means that I will be working with you over the course of the next few years helping you think about what types of jobs/ courses you might want to explore when you are older. An example of some of the things you will get to experience is getting to meet a wide range of people from various backgrounds and jobs. You will also get the opportunity to visit a number of colleges and universities. I also lead enrichment and school clubs. At Haggerston we have a wide range of clubs we offer students. Please look at our website to get a sense of what you could get involved with when you join.

Top tip for starting secondary school.

Join our summer school - it's a great way to get to know the school site and meet some friends / staff early on. This will help make your September start easier.
